Why NSTS Malta?

Student Relations Service

Always better together.

Our Student Relations Service team offers care and support:
- At school
- During leisure activities
- On sight-seeing visits
- Throughout evening events
- When you need us most

Our support is both on an individual and a group level; co-operation with group leaders and parents is integral to our Junior Programmes. We ensure that you strike the right balance between your educational needs and enjoyment of the culturally rich, vibrant and entertaining atmosphere of our Maltese Islands.

Corporate Social Responsibility

Buy good. Do good. Feel good.

Your participation in an NSTS Malta programme has a unique positive impact.

Choosing NSTS Malta is not only a great investment in your own skills and future, but additionally contributes to the academic development of talented Maltese students and to the restoration of Malta’s prestigious cultural heritage through our philanthropic non-profit Foundation NSTF.

So, enjoy the pleasure and benefits of a language course, an internship, a study abroad or an academic year programme at NSTS Malta AND feel good knowing that you are donating to something meaningful.

Quality

Invest in quality and feel good about it.

How do you recognize quality?

More time dedicated to you: Our average class size is significantly smaller than that at other schools - about half as many students in class but still at a competitive price. This doubles your potential to interact with each other and with your teacher:

You receive more personal attention from the teacher; we create a better climate for learning.

Small classes help you to really get to know your classmates; they allow you to develop lasting international friendships.

We are acknowledged and accredited for our expertise by national and international leading industry organizations such as EQUALS, Cambridge Assessment, WYSETC, FELTOM, Malta ELT Council. You can be sure of the following:
- The teaching is effective, well-planned and enjoyable
- The teaching staff is well-qualified and well-trained with access to extensive teaching resources
- A tried and tested teaching/learning system with a clearly defined curriculum and syllabus that answers to your class needs

Invest now for a better, longer-lasting experience.
Why NSTS Malta?

Experience

Experience is the best teacher

In a world where we have access to endless information and instruction online, the value of experience makes the big difference. With practice and critical thinking, we learn to be better and better at what we seek to do.

NSTS Malta is Malta’s first and only English language school with a leadership of more than 55 years of unparalleled professional experience.

Environment

Feel good in your school surroundings

Make faster progress in a natural and friendly school environment. Our school has a large garden, orange grove, spacious green terraces, outdoor cafeteria and relaxing lounge. Your classrooms are airy, brightly lit and designed, set in a traditional Maltese house with Wi-Fi, air-conditioning, central heating, interactive white boards, internet café, library, spacious halls, reception and more. Engage with the helpful Student Relations Service team, inform yourself about Malta and join in their fun, adventure and friendly activities.

Intercultural Learning

Build lasting relationships with people from other cultures

By learning respect for others and accepting their opinions, rights and feelings, we allow ourselves to develop more successful personal and professional relationships and we benefit from cultural diversity. Intercultural learning is a core concern of NSTS Malta because we know that intercultural competence is the key to being successful in an increasingly diverse world and is also highly relevant to your employability.
When you invest in your abilities and skills through an English language, internship or academic year abroad programme, you deserve the very best.

55 years ago, we founded Malta’s first English language school - NSTS Malta. Since then we achieved several important milestones that shaped the entire English teaching sector in Malta. We are committed to innovating and improving, so you can better achieve your goals.

Each year, our international team meets to discuss innovation for the coming year that projects our high-quality standards and contributes to your learning success. We collect ideas. We observe industry and global trends and, most importantly, we listen to you our customers.

What’s new in 2019

Here are our innovations for the year 2019

Interactive classes - BYOD (Bring Your Own Device)

We integrate the biggest resource centre in the world - your smartphone or tablet - into our English courses. The use of technology can enhance learning at every point in a lesson and you will collaborate on class assignments, conduct Internet research and use cloud-based apps.

Intercultural Communication skills

These are the key to success in an increasingly diverse world and are highly relevant to your employability. That’s why we have developed various activities as part of our English courses for you to improve your intercultural communication skills.

English @ Work

Our new programme is the perfect combination of English study & Work for long-term stays of 6 months and more, especially for non-EU citizens. Students who are enrolled on an English Language course with NSTS Malta, can apply to work for 20 hours a week after 90 days in Malta.

Unique concept of guardianship and student support

The NSTS Malta Student Relations Team is always onsite at the English Language Institute to offer you assistance and information. For our high school exchange students and summer camp participants, we have a specially dedicated welfare teammate who oversees the pastoral care of our international students.

Holiday English

Our new summer option: join our General English course with plenty of free time every afternoon and evening. From 17 June to 26 August you can learn English AND enjoy a great vacation in Malta.
Getting a head start

You want to gain international work experience, practice your spoken English and boost your CV. With an international internship, traineeship, English@Work or staff mobility programme you do all three at the same time.

Finding a placement abroad can be quite tedious and requires a lot of patience, time and luck. Just send us your field of study and what you want to do and let us, the experts with hands on experience in Malta, take care of the rest.

You will be best matched to a host corporate or professional according to your academic background, career objectives and language proficiency. We do our best to assign the right intern to the right company and offer you flexibility of choice.
Basic Core Services

What’s included in our Career Development Placement basic core service:
- Skype interview to assess motivation and level English
- Placement according to your field of study and career objectives, as best possible
- Accompanied introduction and first day transport to the host placement
- On-going internship mentoring by your host corporate or professional
- Regular monitoring of your progress and integration on your internship
- Welcome social, familiarisation and information introduction and orientation
- Intercultural networking evening dedicated to making international friends and partying
- Assistance: 24/7 on-call, emergency assistance, support care attention
- Certificate of placement and participation

Plus
- Reservation, on request, of available accommodation type at NSTS student residence and of airport return transfers

Superior Core Services

Basic Core Services +
- English preparation: minimum 2 weeks of 20 lessons of Intensive General English
- Accommodation reservation: guaranteed place in studio suites with all facilities and breakfast
- Combined certificate of graded English merit and Internship placement and participation
- Airport arrival and departure return transfers

NSTS Malta Approach

NSTS Malta is experienced in hosting Erasmus+ funded interns. We not only strive for excellence in teaching and providing high quality services, but are also dedicated to promoting intercultural learning and preparing students to live in diverse societies and work in a globalized world by:
- Training them to acquire international language skills
- Deepening their knowledge, understanding of, and respect for, other cultures
- Developing their ability to change perspective
- Exposing them to empathy, tolerance and openness to new things
- Generating in them intercultural sensitivity
- Fostering their ability to communicate and cooperate

We help you gain invaluable work experience under the supervision of a dedicated mentor. We will monitor you, provide you with multilateral support and leisure activities in your free time.

The following programmes are in line with the Erasmus+ actions:
- Internships with/without English for university and vocational students
- Staff Mobility for adults in education and corporates
- My First Job Experience with/without English for short term groups of senior teenage students

Non-EU/EEA nationals:

Internships: Your programme will include the superior core services plus 4 additional English lessons per week

Work and English: For stays longer than 90 days you can apply for a permit to work for 20 hours per week concurrently with your English 20 lesson course
International Internships

to complement your University Studies

There is no better way to advance in your university education or degree, network internationally and enhance your CV than to practically apply your studies and professionally strengthen your spoken English through a first-hand experience in an international setting preferably with dedicated English lessons.

Our internship programmes are involving, high level and tailor-made in line with your university studies. Your internship placement will be in small and medium-sized companies, corporates or professional partnerships so you can really get to know the environment and be part of the team.

Eligible European citizens may obtain Erasmus+ funding. Non-Europeans would seek their financial support from schemes and for durations of over 12 weeks, must follow on-going English studies for 4 lessons a week.

Placement facts
- Start: every Monday of the year
- Duration: 8 – 52 weeks
- Composition: Superior Core Services, Minimum level of English: B1
- Alternative composition: Basic Core Services, Minimum level of English: B2
- Minimum weekly internship performance hours: 30

Internships

to complement your European Vocational Education

As an intercultural promoting organisation in Malta we invite teachers at Vocational Institutions to encourage students to reinforce their chosen studies by participating in a dedicated internship as part of their course.

Our placement will introduce your students to the world of work where they will receive hands-on experience and be coached on how to perform better. Our internship programme is designed to meet Erasmus+ funding rules, while professional English training is offered as an attractive addition.

Placement facts
- Start: every Monday of the year
- Duration: 8 – 52 weeks

- Minimum weekly internship performance hours: 30
**International Career Development - Erasmus+ Funding**

**Holiday Traineeship**

You are a more adventurous European citizen looking for a holiday job. You would like to travel and spend some time abroad but wish to cover part of your costs or, instead, earn some pocket money.

Enrol for our Holiday Traineeship and add on a 2-week English programme to improve your language and professional skills. Popular traineeship opportunities include hospitality, retail and hands-on work in people oriented establishments.

**Placement facts**
- Start: every Monday of the year
- Duration: 6 – 48 weeks
- Composition: Superior Core Services, Minimum level of English: A2
- Alternative composition: Basic Core Services, Minimum level of English: B1
- Part-time or full-time traineeship for up to 40 hours per week

**English @ Work**

You are not a European citizen, so this is your opportunity to learn English and work in Malta. Get to know a new country and new people. Travel and still make money.

This work and study programme is a great way to cure your wanderlust and have new experiences abroad whilst improving your English language skills and CV!

Your stay will definitely be for more than 3 months, probably at least 6. You first attend English lessons when you apply to work in Malta. After 3 months you continue with your morning lessons and work part-time for up to 20 hours a week earning money.

**Placement facts**
- Start: every Monday of the year
- Duration: 24 - 48 weeks
- Composition:
- Skype interview to assess desired field of work and level of spoken English
- First 13 weeks of 20 English lessons from all the weeks of your full stay in Malta
- Minimum level of English: A2
- Certificate of English course attendance and graded merit
- Work permit application assistance and placement offer
- Information on the host placement for self-presentation on the first day
- Welcome social, familiarisation and information introduction and orientation
- Intercultural networking evening dedicated to making international friends and partying
- Assistance: 24/7 on-call, emergency assistance, support care attention
- Optional accommodation reservation: guaranteed place in studio suites with all facilities or in low cost multi-bedded rooms with breakfast together with airport return transfers.
My First Job Experience or English for my First Job for short term school groups

Teachers are offered the incentive of giving their vocational or high school class students the ability to attend daily hours of internship to practise their soft skills combined with English training for a week or two and to acquire an intercultural formation to shape their immediate life. Information is found on pages 18-19. Eligible for Erasmus+ funding.

Staff Mobility

Enhance your career opportunities. Take up EU Erasmus+ funding to get there.

You are looking for a reliable and professional organization to provide your teacher training or staff mobility programme. NSTS Malta is the best suited for local arrangements to undertake:
- Job shadowing in local schools, small and medium size enterprises
- Internship monitoring at local host corporates
- Teacher training in language awareness and communicative teaching methodology
- Professional and career development, knowledge sharing and encounters
- Visits to public entities, private companies, NGOs competence-building events
- …and more

Just send us your mobility programme objectives and requirements to receive our most suitable proposals.

Applications and payment

Students under 18 - Parent/Guardian Consent Form and Surety deposit

Applications from persons under 18 years of age must be, and are deemed to be, endorsed by the person’s parent/legal guardian who simultaneously retains full responsibility for their protégé’s acts and/or omissions during the latter’s stay in Malta. Applications through agents are deemed to be equally endorsed as a result of the agent’s own transmission.

The conduct of any and all persons under 18 years of age enrolled on an NSTS Malta programme is governed by a student charter that is available upon request. The terms, among other things, govern the behaviour of the minor student, applied discipline and prohibitions, unaccompanied outings, return times in the evenings, damages or misdeeds and the payment of a conditional refundable surety deposit of €50 upon arrival at check-in if accommodated at an NSTS Residence or hotel.

Code of conduct

By applying applicants accept that NSTS Malta may, without being liable in any manner whatsoever, exclude any person from a service applied for or being consumed, and demand his/her repatriation at his/her charge, if, in the opinion of Management, s/he appears likely to endanger or impair the health, safety or comfort of other persons using concurrent services, or the reputation of NSTS Malta by his/her acts or omissions.

Public Holidays

None of the provided educational programmes will be available on public holidays and no refund will be given for lost parts. Lessons will be made up for except for public holidays 29 June and 15 August. Public holidays are: 01 January, 10 February, 19, 31 March, 19 April, 01 May, 07, 29 June, 15 August, 08, 21 September, 08, 13, 25 December.

Visa

The applicant is solely responsible to provide on demand a valid identity document, passport and entry visa and, if staying for more than 90 days, will extend authorization to remain in Malta by applying for a national visa to be issued by the Central Visa Unit for the duration of the educational programme for up to one year, subject, among other conditions, to consistent high attendance at the educational programme.

Data Protection

In enrolling with NSTS Malta the applicant consents and authorises NSTS Malta to process any personal data in accordance with the General Data Protection Regulations (GDPR) of the European Union and to transfer/disclose such data to other companies within the NSTS Malta group of companies as deemed necessary for the provision of the services enrolled for and for the purposes associated thereto.

Photography, Filming, Sound Recordings, Testimonials

The applicant consents to being photographed, filmed, recorded and have any testimonial used for promotional purposes and to receiving marketing materials from NSTS Malta and will be given the opportunity to opt out from this consent upon request in writing or electronically according to GDPR.
